

Housing Information

If you need help in finding accommodation, please read the following information thoroughly, then complete the form below, detach it and return it to Vesalius College.

Off-Campus Housing

Vesalius College does **not** have on-campus housing. Students are responsible for making their own housing arrangements. However, Vesalius College will help all students find suitable off-campus housing.

The rent for a student room is available in a wide price range (400 to 600 Euros per month on average) and many are conveniently located to the campus. You will be required to pay two months (sometimes even three months) of rent in advance as a "guarantee" (security deposit) and the first month of rent is due on the day you sign the contract. If you would like help finding housing, please indicate this on the response form below. For further information, please contact us at +32 2 880 12 50.

Important: **Housing cannot be arranged before your arrival in Belgium.** The earlier you arrive in Brussels, the easier it will be to find accommodation. We suggest that you arrive one week before orientation if at all possible. **We advise you to arrange temporary housing in advance of your arrival** (see list of temporary housing).
