INTERNSHIP PROGRAMME

FUNDACION COMUNIDAD VALENCIANA REGION EUROPEA

ORGANISATION PROFILE

Since 2003, the Fundación Comunidad Valenciana Región Europea has been actively working for the development from the Valencian Region and bringing this Mediterranean territory closer to the EU. Currently, the FCVRE takes part in more than 40 European projects and gives support and advice to a large number of collectives and entities of the Valencian Region. The Fundación is therefore committed to strengthening collaboration bonds with other European regions and countries.

Moreover, the FCVRE facilitates job placements to young people from our Region and other regions and countries, by helping them to develop professional career within the European framework. In this sense, we receive both university and vocational training students.

Our internal organization is based on different areas such as European Projects, legal area, administrative area, Human Resources, Translation and Interpreting, as well as other fields. All trainees and stagiaires have the opportunity to complement their studies and training.

For further information visit: www.uegva.info

INTERNSHIP PROFILE

The intern will work on a specific project dealing with EU policy development and she/he will assist the secretariat and contribute to the overall advocacy activities of the organisation.

The intern will be given the possibility to become accustomed with the EU lobbying activities and will be actively involved in monitoring EU policy development. He/she will produce regular reports of upcoming legislative proposals in a clear and concise way for our Members organisations across the EU and provide regular internal briefings.

The intern will also participate in relevant conferences and debates at EU level.

INTERN PROFILE

The ideal candidate will have:

- Some knowledge of the European Institutions and of the European Union legislative process;
- Good research, communication and networking skills;
- Degree: Journalism, Audiovisual Communication, Assistant;
- Fluency in English is essential. Knowledge of Spanish or French is desirable.
