- Interdisciplinary approach: law, politics, business and economics

**CAREER PROSPECTS**

- International organisations: European Commission, United Nations, NATO
- Diplomacy, public affairs
- Private sector: International businesses, banks and consultancies
- NGOs, think tanks
- Research

"Studying international and European law in the heart of Europe is truly an amazing experience as you have easy access to important international institutions involved in key legislative processes. Furthermore, this programme is a perfect steppingstone as it opens a lot of doors: whether you want to go into public policy, graduate school or continue your education, this BA is the perfect place to start. The knowledgeable faculty and great teaching methods have prepared me for all the challenges to come."

- Stephan Bergmann Johansen (2019)
